Baby D:  
Dip in a plane  
Naw looking smooth in a chopper boy  
In a Chevy baby

Let me rub ya lady  
What have you been doing?  
Have you been freakin lately?  
No stuntin or frontin  
Because you I want it  
So back it up  
Cuz you know i'm on it  
You drive me crazy  
Not lettin lately  
Big bout it Benzes  
Ballin wit my friends  
We pulled up to da club  
Wit a Chevy on dubs  
Come give me a hug baby  
Ya see me on some dubs  
Swervin crazy  
I know you wanna cut me up baby  
But first of all we gotta hit da club baby

(Chorus)  
Ya see me ridin in a Chevy baby  
Ya see me on some dubs  
Swervin crazy  
I know you wanna cut me up  
Baby  
But first of all  
We gotta hit da club  
Baby

Sammy Sam:  
I see in yo eyes you wants to lay me  
But baby you gots to pay me  
You see cleanin doolie  
But later we can get crazy

We can hit da club or somethin  
Get drunk or somethin  
End up at the tail  
Where we cuttin or somethin
