What the sh\*t,  
Don't move,  
I'm  
Going to tell you what to do,  
And  
Maybe that will make things move a  
Little bit smoother,

I want to  
Move away from here,  
I'm gonna  
Rent a hot-air-balloon,  
So I can  
Wave to my friends as I'm  
Leavin'  
And I'll say...  
"You  
Haven't seen the last of  
Me,"

It's hard to dance with  
Your eyes closed,  
I've always  
Been the coward,  
Do you think we  
Can re-ignite again?

First  
Things first,  
I come in with the  
Worst,  
Better live forever if you  
Needed it the most,

'Cause I  
Was into...  
I was into  
You,

And when it all falls  
Down,  
I'm gonna make a simple

Sound,  
And you will know what I'm  
Talking about
