Satan your kingdom must come down
Satan your kingdom must come down
You've been feeding your kingdom all over this land
Satan your kingdom must come down
You know the mothers they gonna break your kingdom
down
You know the mothers they gonna break your kingdom
down
You've been feeding your kingdom all over this land
Satan your kingdom must come down

You know the preachers they gonna preach your
kingdom down.
You know the preachers they gonna preach your
kingdom down.
You've been feeding your kingdom all over this world
Satan your kingdom must come down
We gonna pray hard until we tear your kingdom down
We gonna pray hard until we tear your kingdom down
You've been feeding your kingdom all over this land
Satan your kingdom must come down

Yeah

I got a devil inside?
