Don't feel Confused
So many Religions to Choose
I was raised to Worship and Pray
To the king of the Jews
I stay looking for clues
A Sign from Something divine
I've accepted Eucharist
And Drank his blood
Through Wine
I prayed hard Looking at the Cross
Did my Conformation
Is it God
Who Designed the Universe and
Constellations
Is it God who blew life Into the lungs Of
Adam and Eve
Was it God that helped Moses
When he parted the Sea
I wanna Believe
I Read the Bible and started to Bleed
It's harder for Me I come From
Generations of the Darkest
People Inherited through Lineage
I Fell into a Darker
Evil due to Circumstances
Beyond my Control
Before I was conceived
They promised Evil my soul
On your Mark get set go
I'm Alive what a Mess
And I relish in your Anguish and Temptations
Of the Flesh Jesus catch me in a Net
And Bring me into your Divinity
The demons that surrounding me have given me
Abilities agility at Lashing tongues and Gnashing of the
Teeth
I'm prophetic Having visions of the End in my sleep

3 13 33 Triple Seis

3 13 33s every Place

3 13 33 are my Numbers

3 13 33 is among Us

3 13 33 on your Feet

3 13 33 it's the Beast

Here is Wisdom

Let him That hath Understanding

Count the number of the Beast on your fore head it has
landed

Transactions going cashless, transponders are
Injected

Walk Across a sea of glass and still remained
Protected

Lets be Honest, abomination of the Scripture for this

I am a Herald, Spit a plague and Paint a picture

I got something to Fix ya, forget about Salvation

The Rapture is upon us, bringing Trials and tribulations

No time for speculation

A Son of the infernals, and ima live forever

As long as Flames will burn Eternal

I'll wait a whole Eternity

To gain back my Serenity, I can't believe that Holiness
has now become

My Enemy, ahead of Me, in back of Me

Ima Quoting out Of Zachary

Zechariah

I feel I'm Burning in the fire

I hope there is an After life when everyone Expires

Higher Liars, as the Zionist they Conquer

And know That I'm a Beast but I can turn into a Monster

Lucifus I'm used to This, I'll stab you with a Crucifix

These Entities are tempting me and Revelation
mentions me

I'm slandering Accusing filling humans with Illusions

The Master of the earth the Lord of pride attempted

Judas

I hope you have Made peace with the Sire with the lord

with the Christ with the Jesus with the father

With the God

3 13 33 Triple Seis

3 13 33s every place

3 13 33 are my numbers

3 13 33 is among us

3 13 33 on your feet

3 13 33 it's the beast
