(Vekz)

On the Molecular Level  
We Are all the Same  
We are what you Call  
Entangled

(Beast 1333)

I need Clarity  
And there's a Thousand People After Me  
My mind is Buggin out  
I Got to Kill up all these Bastards see  
Make Sure that it is Passed to Me  
I burn it Cuz it kill the Stress  
Cuz really what I Live on a Daily Basis  
Is Just a Mess  
I feel it Yes  
But We the Blessed  
I need a couple Weeks at Best  
Proceed I Must indeed with Weed  
Godspeed to all the Buddha Sess  
I'm Just a baby New to This  
I know I'm getting through to This  
Or Maybe getting through to Who?  
And really Who the hell are You?  
But Really who the Hell am I?  
And really who the Hell are We?  
And Really what The hell is This?  
This aint the Place I want to Be  
I Look down at my Little Seed  
And wipe the Tears up off her cheeks  
I only Get to see her  
Once In a While every Couple weeks  
I Wander through these deadly Streets  
With Nothing in my Brain but Anger  
Word to Baby momma  
One of These Days Ima have to Hang her  
No Respect like Dangerfield  
My Neighborhood like Cloverfield  
I'm Holding on to Promises  
That already Been Unfulfilled

(Beast 1333) Who Am I?

What are They?  
What are We supposed to Be?  
Slaves in this Society  
Or Patrons of Humanity?  
More forgotten Casualties  
We're Looked at as Commodities  
Could it be that Possibly  
It's FALSIFIED PHILOSOPHIES  
Who Am I?  
What are They?  
What are We supposed to Be?  
Slaves in this Society  
Or Patrons of Humanity?  
(Vekz) As I'm Observing From the Sky I  
Prepare My Flesh for Atmospheric traveling  
Passages through my Minds Eye)

I'm Beatin it this year for Real  
I Dare you try and Cross my Path  
I'm leaving nothing in My Wake  
And Lesser in My Aftermath  
I never had a lot of Cash  
And Frankly I don't Give a Damn  
Forget about the Dividend  
My Favorite Game was Kick the Can  
Was searching for a Helping Hand  
Was Suffering with Purpose  
Cuz in Turn it made me who I am  
There's People who Observe us  
And they Watching with Binoculars  
Maneuver through Metropolis  
They Cry upon Sarcophaguses  
Poisoning the Populouses  
All must Die  
The Clock is Ticking  
In the Sky it's Eye and I  
Your guaranteed a Quicker Death  
If You ingesting Cyanide  
Now putting all that to the Side  
I'm trying Not to Lose my Focus  
I came to Destroy Ok?  
I'm Deadly like a Plague of Locusts  
Jibber Jabbing Knives that Poke us  
All We are is Slabs of Meat  
There's mothers with they Children homeless  
Living in the Dirty Street  
I'm Choking up can Barely Speak  
I had a Makaveli Week  
And Realized that we the Wise  
But Marketed Like Deli Meats

(Beast 1333) Who Am I?

Passages through my Minds Eye)

The Futures full of Enemies  
It's Energies Consistency  
Was homeless at a Point  
And Had to Live in an Efficiency  
I'm 26 Emergency  
I'm Getting Older Urgency  
There's Devils playing Tricks on Me  
They Poking me and Burning Me  
I might Just Lose It  
Then I think  
There has to be a Better Way  
The Grass is always Greener  
On the Other Side  
Is What they Say  
Tell me How you Feel Today?  
I Tell you what I'm Feeling Rotten  
Looking for an Opportunity to Bug  
And Get it Poppin

(Beast 1333) Who Am I?
