[Verse One] Emcee for what I am, and do The A is for Adam, and the lyrics... true So as pray and hope, that the message is sent And I am living in the dreams that I have dreamt Because I'm down with the three, the unstoppable three Me and Adam and D were born, to emcee And my body and soul and mind are pure Not polluted or diluted or damaged beyond cure Just lyrics from I to you recited Arrested, bailed but cuffed, and indicted Enter the arena as I take the center stage The lights set low and the night has come of age The microphone in hand and I am a professional Speak my knowledge to the crowd and the +Ed+ is +Special+ For I am the +Bard+ and I am +The Last+ one I am the king and this is my castle Dwell in realms of now but Ive in those of the past Seen a glimpse from ahead and I don't think it's gonna last And you can bet your ass

[Verse Two] I drop the L when I'm skiin, I'm smokin and peakin I put the skis on the roof almost every single weekend Can't stop my mindfuck when it's rollin along Can't stop the smooth running when the shit's runnin strong Broke my bindings, the lion with wings Preaching his word and the b-boy sing I am one with myself, as I turn to me Prefer the dreams to the reality I prefer my life don't need no other man's wife Don't need no crazy lifestyle with stress and strife But it's good to havethe turn to be a king for a day Or for a week or for a year or for a year in a day Come what may...

[Verse Three] I'm fishin in my boat and I'm fishing for trout Mix the Bass Ale with the Guinness Stout Fishing for a line inside my brain And lookin out at the world through my window pane Every day has many colors cause the glass is stained Everything has changed but remains the same So once again the mirror raised And I see myself as clear as day And I am goin to the limits of my ultimate destiny Feeling as though somebody somewhere is testin me He who sees the end from the beginning of time Looking forward through all the ages Is, was, and always shall be Check the prophetic sections of the pages... He goes by the name of Disco Dave {\*scratching: "Disco Dave"\*}
