Ah, BEASTIE go

BEASTIE

That's just what Beasties gotta' be
Can't you see this is an emergency
Can you feel the urgency

BEASTIE

BEASTIE

Withhold of democracy
In a state of emergency now

Ah, going out to rock the state
Let's just come and take unique
All across the stormy sea
Better days in democracy

BEASTIE

BEASTIE

Captain stayed off so merrily
In a state of emergency now

Ah, BEASTIE

Cops just don't give respect to me
World is filled with tyranny
All across the stormy sea

BEASTIE

BEASTIE

Who the hell are we off to see?
Let's just come and take unique

Now BEASTIE go

BEASTIE go
