That's right. Commin' to ya all day and all night, they
are
I don't have to mention them 'cause they're superstars
We gonna' do a little something like this.. aaaahh..

Dear Alex and Marilyn
They're Lovey and Thurston howellin'
The grasshopper unit is prowellin'
And Rufus is back home growellin'
For all of y'all that be dozin'
On Hornblower's lederhosen
Like Walt Disney he'll be frozen
And then the Swiss Hall of Fame he goes in
'Cause when he's out in space carousin'
Pick up my mic and start joustin'
My name plate medallion
Says never trust a hal 9000

Well can't won't don't stop rockin' to the rhythm
'Cause I get down 'Cause I get down
'Cause I get down get down get down get down get
down

Check the horizontal hold and check the tint
Are these three fools back at it again
Inspector Clouseau and Derek Flint
Nothin' but sparks ignitin'
Check two one two mic testin'
This one goes out to Dechen
Rise fallen fighters take your stance again
Don't think too much about the color of skin
Order in vegetarian sharks fin
Try to keep my life non violent
Mario Rewind the tape and punch 'em in
Like Chuck D with the where you never been I'm in

Well can't won't don't stop rockin' to the rhythm
'Cause I get down 'Cause I get down
Can't won't don't stop rockin' to the rhythm
'Cause I get down 'Cause I get down

"I'm a long way from where I've been but I gotta' keep
movin' movin on"

Ooh my my I'm really not feelin' it
Ooh my my something's really wrong
Ooh my my I'm really not feelin' it
Ooh my my something's really wrong
The p.a. sound is deafenin'
Bitin' MCs I'm oustinin'
With spinach in your teeth you're grinnin'
So on your way out please take a mint
Got the studio to throw a craze in
Those basslines Yauch just lays in
This song is the grass you're grazin'
Just add a little flange and phase in
Don't get mad 'cause I'm beguilin'
I'm off the hook don't bother dialin'
They're gonna put me in the b-i-n
And if I die notify the next of kin

It's like that y'all It's like that y'all
It's like that y'all It's like that y'all
It's like that y'all It's like that y'all
It's like that y'all It's like that y'all
Can't won't don't stop Can't won't don't stop
Can't won't don't stop Can't won't don't stop

"Movin' on"
