Dear Alex and Marilyn  
They're Lovey and Thurston howellin  
The grasshopper unit is prowellin  
And Rufus is back home growellin  
For all of y'all that are dozin  
On Hornblower's lederhosen  
Like Walt Disney he'll be frozen  
And then the Swiss Hall of Fame he goes in  
Cause when he's out in space carousin  
Pick up my mic and start joustin  
His name plate medallion  
Says never trust a hal 9000

Check the horizontal hold and check the tint  
Are these three fools back at it again  
Inspector Clouseau and Derek Flint  
Nothin but sparks ignitin'  
Check two one two mic testin  
This one goes out to Dechen  
Rise fallen fighters take your stance again  
Don't think too much about the color of skin  
Order in vegetarian sharks fin

Try to keep my life non violent  
Rewind the tape and punch me in  
Like Chuck D with the where you never been I'm in

I'm a long way from where I've been but I gotta keep  
movin'

Ooh my my I'm really not feeling it  
Ooh my my something's really wrong  
The p.a. sound is deafenin  
Bitin MCs I'm oustinin  
With spinach in your teeth you're grinnin  
So on your way out please take a mint  
Got the studio to throw a craze in  
The basslines Yauch just lays in  
This song is the grass you're grazin  
Add a little flange and phase in  
Don't get mad 'cause I'm beguillin  
I'm off the hook so don't bother dialin

They're gonna put me in the b.i.n.  
And if I die notify the next of kin

It's like that y'all
