"Stop that train I wanna' get off"

Well..

It's 4:00 a.m. I've got the Dr. Hfuhruhurr Ale
I've got nothing to lose so I'm pissin' on the third rail
Groggy eyed and fried I'm headed for the station
D-Train ride Coney Island vacation
Dedicated to the boofers in the back of the 1 train
They'll be kickin' out windows high on cocaine
And then I jump the turnstyle I lost my last token
Riding between the cars pissin' smokin'
Head for the last car fluorescent light blackout
Policeman told my homeboy yo put that crack out
You know you light up when the lights go down
And then you read the New York Post Fulton St.
downtown
Same faces every day but you don't know their names
Party people going placed on the D-Train

"Stop that train I wanna' get off"

"Stop that train I wanna' get off"

Check it..

Trench coat wing tip going to work
And you be pulling a train like Captain Kirk
Pick pocket gangsters paying their debts
I caught a bullet in the lung from Bernie Goetz
Overworked and underpaid staring at the floor
Prostitutes spandex caught in the slide doors
Now you're stuck between the stations and it seems
like an eternity
Sweating like sardines in a flophouse fraternity
A \$50.00 fine for disturbing the peace
The neck tortoise the Lees I creased
Hot cup of coffee and the donuts are Dunkin'
Friday night and Jamaica Queens funkun'
Elevated platform I'm never gonna' conform
Riding over the diner where I always get my toast warm
Bust into the conductor's booth and busted out rhymes
Over the loud speaker about the hard times
Sat across from a man readin' El Diario
Riding the train down from the El Barrio

Went from the station to Orange Julius
I Bought a hot dog from who George Drakoulis
