Anywhere I go a fly girl will please me, east to west
college girls are easy

This story's kinda funny, its one about honeys, now
Debbie was a girl who used to do it like a bunny. and
how about mona, her hips was like a motor i heard she
liked to do it in the back of a toyota. and then there was
amy, now how can ya blame me? she wanted it so bad
she offered to pay me. and vicki and weezie, both a bit
sleezy, 'cause all college girls are just too easy!

1, 2, 3, 4, 5, 6, 7, days a week the college girls be
beggin to get a guy that sexually performs, so
whenever i get horny i go to the dorms. went to the
dorms sunday around midnight, i saw a honey and she
gave me an invite to her room and said that she had
been scopin me in english class and now she was hopin
just to talk (yeah right) but now instead, since we was
alone she she had to get me into bed. i nibbled on her
ear and said "i hope youre in condition" then she got
down in the yokalite position, took off her clothes and
said her name was diana, her chest was bigger than
the state of indiana. she said, "lets get busy, i dont
wanna lose ya" and needless to say, i knocked it like a
hoosier.
