Now, I'd like to thank the Lord Jesus Christ for helpin'
my family gather around here today and puttin' all this
great food on our table and I just hope He's just as
generous to all the other fine country families out there
on this special day.

We're havin' a country Christmas - I hope you'll have
one too
Santa Claus is bakin' biscuits - what did he bake for
you?
Daddy's got the fire a-blazin' - it's such a fine sight to
see
Now all the cow hands are amazin' - and Santa left a
gift for me

It's a country, country Christmas - people are gathered
around
Country, country Christmas - baby Jesus is in town

And Santa gave Daddy some whiskey - an iron's what
he gave to my mom
I promise ol' Kris Kringle - I write a song a night on my
guitar
Turkey with all the fixins' - thank the Lord for all-a my
food
For the wise men and the manger - to this game I'll
always stay true

Well it's a country, country Christmas - sleigh bells and
reindeer
Country, country Christmas - just good old family cheer

Woo!

Look Daddy...Santa came down the chimney and he
drank the milk and ate the cookies I left for him. Look,
an iron for Maw, see that Daddy? Little whiskey for
you...and even left a gift for me! Thank you,
Santa...Merry Christmas!
