Well I'm chilly chill most of the time  
But I make a lot of noise when I bust a fresh rhyme  
I'm coolin with the posse, cold drinkin pissy  
Met a young girl and got cold busy  
Not Abbott and Costello, just me and my mellow  
Got a microphone so I don't gotta bellow (yeah)  
I'm tough not yellow, I don't eat Jell-o  
I know that I'm def what about this fellow (tell em)  
I'm Mike D, I'm known fly cooly (tell em)  
Got the fly rhymes and the fresh fly woolie  
Startin epidemic each and every time (time)  
Girls cuttin class to hear me rhyme  
Stand at the bar don't sit on a stool  
Ride a Harley not a goddamn mule  
Well...kick it!  
Me and my crew doin the do  
Coolin around the way cause we got to  
There's one more thing that you should know  
Mike D...is a desperado  
Well DJ strong hold poppin that weak  
He punched Big Bird in his goddamn beak  
Gold on my fingers, silver in my pocket  
Mike went to the party and (D) tried to rock it  
That party was weak, I did the freak  
I peeped out the back with the fresh unique  
Got girls on my tippy back out the way (what?)  
Jockin and clockin I'm MCA (yeah)  
It must be a drag just getting old  
But I don't gotta worry cause I'm so damn cold  
Kick it cold, cold rockin  
My name is Adam Yauch and I know you all clockin  
Me and my posse oh so killin  
Stone cold fly and nive to five chillin  
There's one more thing you all should know (what?)  
Ad-Rock's a desperado  
M-I-K-E D-E-E-E  
I'm on top and that's the way to be  
I'm the stupid defest always rockin  
Every store in town you know it's stockin  
All of my records are records on charts (charts)  
You know I'm goddamn stupid  
Farther than any other record can go

Don't you know I'm rockin in stereo  
I'm on the top, bottom, even in the middle  
I got the def rhymes and it ain't no riddle  
I'm the king of the castle with no hassle  
Take a girlie to my house, we start to wrestle  
Cause I'm a rebel without a pause (check it) (word)  
Keep rockin and breakin laws  
I got Gucci cologne so you know I'm not stinkin  
Got more rhymes than my boy Abe Lincoln  
Get those suckers cause you know I gotta  
Order a fajita and a fresh enchilada  
Shot that parrot cause he used to chirp  
Can't eat Chinese cause it makes me burp  
Went from bar to bar I got rejected  
My fake ID, it was disrespected  
Got records in London (inaudible)  
Quit my job cause my boss is a faggot  
One more thing that you should know  
MCA....is a desperado
