In a world gone mad its hard to think right
So much violence hate and spite
Murder going on all day and night
Due time we fight the non-violent fight

Mirrors, smokescreens and lies
Its not the politicians but their actions I despise
You and Saddam should kick it like back in the day
With the cocaine and Courvoisier
But you build more bombs as you get more bold
As your mid-life crisis war unfolds
All you want to do is take control
Now put that axis of evil bullshit on hold
Citizen rule number 2080
Politicians are shady
So people watch your back 'cause I think they smoke
crack
I dont doubt it look at how they act

In a world gone mad its hard to think right
So much violence hate and spite
Murder going on all day and night
Due time we fight the non-violent fight

First the War On Terror now war on Iraq
Were reaching a point where we cant turn back
Lets lose the guns and lets lose the bombs
And stop the corporate contributions that their built
upon
Well Ill be sleeping on your speeches til I start to snore
Cause I wont carry guns for an oil war
As-Salamu alaikum, wa alaikum assalam
Peace to the Middle East peace to Islam
Now dont get us wrong cause we love America
But thats no reason to get hysterica
Theyre layin on the syrup thick
We aint waffles we aint havin it

In a world gone mad its hard to think right
So much violence hate and spite
Murder going on all day and night

Due time we fight the non-violent fight

Now how many people must get killed?
For oil families pockets to get filled?
How many oil families get killed?
Not a damn one so whats the deal?

Its time to lead the way and de-escalate
Lose the weapo
