"Light My Fire"

You know that it will be untrue
You know that it will be a liar
La la la la la la la...
Before we couldn't get much higher
Come on baby light my fire
Come on baby light my fire
Try to set the night on, fire
The time of two is our own soul
No time to war in the mire
But darling we can only learn
While other people flail on fire
Come on baby light my fire
Come on baby light my fire
Try to set the night on fire
Come on baby light my fire
Come on baby light my fire
Try to set the night on fire
