Yea

You're coming off like you're Van Damme  
You've got Kenny G, in your Trans Am  
You've got names like Billy Ray  
Now you sing 'Hip Hop Hooray'

Put your Oakley's, stone wash on  
Watching MTV and you watch on  
And #1 on the side and don't touch the back  
And #6 on the top and don't cut it wack, Jack

Mullet head, don't touch the back  
Cut the sides, don't touch the back  
Cut the sides, don't touch the back  
Cut the sides and don't touch the back

Shiny chrome rims never rusted  
Driving through the tunnel and you might get busted  
Never trusted, mullet head  
You know you took that girl to bed

Cruising 8th Street, Saturday night  
And trying to find a head shop, looking to fight  
You've got that stonewash derriere, yeah  
Spike the top because the week-end is here  
You wanna know what's a mullet?  
Well, I got a little story to tell  
About a hair style that's way of life  
Have you ever seen a mullet wife?

Yo, take a chill B, check out my Spillbee  
'Cause you don't know about the mullet head  
Cruise in my IROC, stonewash on my cock  
Got it like that 'cause I'm the mullet head  
Put me on trial, I'm worth your while  
Pass me the comb 'cause I'm the mullet man

Got The New York Post, read that story  
About Joey Buttafooco in all his glory  
They said he tried to freak it with a high school girl  
Pimpin' Amy Fisher to the rest of the world

A real lover man, a real Casanova  
Joey got horny and now he's over  
Amy got pissed, shot his wife  
Joey goes to jail for the rest of his life

Cut the sides, don't touch the back  
The back, the back  
[Incomprehensible]
