Soba violence  
Soba violence, it's true  
Soba violence  
Soba violence, it's you

Dropped my yen  
Into the ticket machine  
Just getting some noodles  
The place wasn't too clean  
Just tried to help my man out  
But he started breaking fool, going off on

Soba violence  
Soba violence, it's true  
Soba violence  
Soba violence, it's you

Yoshimi tried to calm shit down  
But the shit just escalated

The man started swinging wild  
It was real ill fated  
The shit wouldn't stop  
He said, "He wanted more of that"

Soba violence  
Soba violence, it's true  
Soba violence  
Soba violence, it's you

The time had come  
Bum rush him out the door  
We we're trying to help him  
Out but he ended up kind of sore  
The cops we're sitting outside  
But they we're doing nothing about that

Soba violence  
Soba violence, it's true

Hey Mario, could you punch that?
