Like you know it should  
In '89, right on time  
Always so quick with the rhymes  
Aghhh..

Girl you know it's true  
You know you know it's true  
Mike D. is in love with you

That the cars were built to my favor you know

Yea, I remember the first time I saw you  
And you were standin there lookin all lovely and  
everything  
I went over, you know  
And I started smellin your ass  
And then Ricky Powell came over  
You know, started doin the A.T.D. and everyting
