Oh!!
This routine dates way back
A lot of people may remember this routine
but it's evolved, now
Yeah from the summer before last

[Mike D]
Well my name's Mike D and I got a new name
And that new name is - LARRY!!

[Ad Rock]
Well my name is Ad Rock, and then I got a new name
And my new name is - HARRY!!

[MCA]
Well my name is MCA, but I got a new name
And that new name is - GARY!!

[Beastie Boys]
Well my DJ's name, it stayed the same
Cause his new name is - BARRY!!
