Cause nobody can do it like mix master can,
Come on now
Ive got the d double o, d double o style
Here we go again because its been awhile
Do me a favor dont touch that dial
I rock from manhattan to the miracle mile
My names mike d and Im the ladies choice
I want to get next to you like rose royce
Yall gather round to hear my golden voice
Cause when its time to rhyme you know I get noice
Cruising like a fan boat on the glade
Hell tweak your ass across the cross fade
So watch your back when he takes the stage
Or hell send you off on a naked rampage

3 mcs and one dj
We be getting down with no delay
Mix master mike what cha got to say
Bug out/to the mic/all the time

Sweet and sour like a tangerine
Fresh like a box of krispy kremes
Kenny rogers gambler is my gambling theme
Mix master mike with the scratch routine
Always updated and in the know
You know we break it down going toe to toe
The bass is booming from down below
And norton is chillin with mario
Well my name is adrock Im a scorpio
Dont ask me cause I just dont know
Im known to mop Im known to glow
But dont get mad cause I got to go

Three mcs and one dj
We be getting down with no delay
Mix master mike what cha got to say
Gotta get down

Mix master cut faster

All top secret and classified

I grab a hold of a mic and let the words glide
Its all hypnotic and sanctified
I never wanna let a bad day slip by
Now we be getting stupid in your area
Causing all kinds of hysteria
My beats is sick like malaria
But dont worry Ill take care of ya
Me and adam adam and mario c
In the studio its the place to be
To all party people who are happy and free
With mix master mike were making history

Three mcs and one dj
We be getting down with no delay
Mix master mike what you got to say
Goddamn that dj made my day
