Hey yo Adam what's up?
This is Mix Master Mike
I'm calling from Sacramento
Um I've been wanting to hook up with
You maybe on some tracks
I've got some shit right here if you could
My turntable's through a wah, wah pedal
It's called the tweak scratch

'Cause nobody can do it like Mix Master can
Come on now
I've got the D double O, D double O style
Here we go again because it's been awhile
Do me a favour don't touch that dial
I rock from Manhattan to the Miracle Mile
My name's Mike D and I'm the ladies choice
I want to get next to you like Rose Royce
Y'all gather 'round to hear my golden voice
'Cause when it's time to rhyme you know I get noise
Cruising like a fan boat on the glade
He'll tweak ass your ass across the cross fade
So watch your back when he takes the stage
Or he'll send you off on a naked rampage
3 MC's and one DJ
We be getting down with no delay
Mix Master Mike what cha got to say
"Bug out to" "oh Mike" "All the time"
Sweet and sour like a tangerine
Fresh like a box of Krispy Kremes
Kenny Rogers' Gambler is my gambling theme
Mix Master Mike with the scratch routine
Always updated and in the know
You know we break it down going toe to toe
The bass is booming from down below
And Norton is chillin' with Mario
Well my name is Ad rock I'm a Scorpio
Don't ask me 'cause I just don't know
I'm known to mop I'm known to glow
But don't get mad 'cause I got to go
Three MC's and one DJ
We be getting down with no delay
Mix Master Mike what cha got to say

"Gotta' - Gotta' - Gotta' get down"
Mix Master cut faster
Mix Master cut, cut, cut faster
All top secret and classified
I grab a hold of a mic and let the words glide
It's all hypnotic and sanctified
I never wanna let a bad day slip by
We be getting stupid in your area
Causing all kinds of hysteria
My beats is sick like malaria
But don't worry I'll take care of ya
Me and Adam, Adam and Mario C
In the studio it's the place to be
To all the body people who are happy and free
Mix Master Mike we're making history
Three MC's and one DJ
We be getting down with no delay
Mix Master Mike what you got to say
"God damn that DJ made my day"
"You came off with that one, though, oh my goodness"
