Overripe, fresh skeezed, California females  
With three inch cherry red press-on Lee nails  
Reach into my mind for the rhymes I'm seeking  
Like a garbage bag full, overflowing, now it's leaking

Rapunzel, Rapunzel, let down your hair  
So I can climb up and get into your underwear  
You rat soup eating, test cheating, no business punk  
You're insecure born in the junkyard with the junk

You've gone wet look crazy, messed with your head  
You fucked around and wound up with the bald skin  
head  
You're all mixed up like pasta primavera  
Yo, why'd you throw that chair at Geraldo Rivera man?

'Cause one man's ceiling is another man's floor  
Yo, get that money out your ass you whore  
I brought her upstairs onto the roof  
I dogged your wife and she is a doofus

What goes around, comes around  
What goes around, comes around  
What goes around, comes around  
What goes around, comes around

Chosen bound  
Pull me down

Yo holmes, your nose is brown

Clean B, cleaning the G spot. You know that we've got  
The dolomite house and you have not  
Look out my window look over the city  
With two black eyes, your girl ain't that pretty

Why you wanna beat that brat with a bat?  
Why you wanna treat your girl like that?  
Living in the rat race smoking rat weed  
Well you reap what you sow, when you plant the seed

Bum cheese on rye with ham and prosciutto

Got more Louie than Phillip Rizzuto

What goes around, comes around  
What goes around, comes around  
What goes around, comes around  
What goes around, comes around

What goes around, comes around  
What goes around, comes around  
What goes around, comes around  
What goes around, comes around

Funky, like penicillin  
Funky, like panasaurus

Doris the finkasaurus
