Drums along the beach at night keep pacing  
Drums stop heart and start the rights of mating  
What's it gonna be? (bonfire)  
Is it him or me? (bonfire)  
Keep throwing the wood on 'til one is gone

Bonfire  
Flames reach higher  
Drum beat crying  
Ambers dying  
Bonfire  
Oh, bonfire

Hook and line and ever endless waiting  
Blood and sin you pull away past fainting  
Who's it gonna be? (bonfire)  
A boy like him or me? (bonfire)  
Keep beating the drums until one is gone

Bonfire  
Bonfire  
Bonfire  
Oh, bonfire  
There's two fit to be hers (bonfire)  
But only one can serve (bonfire)  
Bonfire  
Oh, bonfire

Sweat and smoke and watch the ambers glow  
My heart starts beating fast for now I know  
She made up her mind like that  
She dressed like a jungle cat  
Now this jaguar queen will be my own

Bonfire  
Flames reach higher  
Drum beat crying  
Ambers dying  
Bonfire  
Oh, bonfire  
Bonfire

Oh, bonfire

Oh, bonfire  
Ya ya, bonfire  
Oh, bonfire
