"Cast A Shadow"

Visit "[Cast A Shadow](#)" on MotoLyrics.com

The sandman is sending me a special gift
A sleepy dream memory of our first kiss
Cast a shadow in my direction
Cast a shadow in my direction

The sandman comes at night I have a request
A snapshot dreamy keepsake of your embrace
Cast a shadow in my direction
Cast a shadow in my direction

Cast a shadow in my direction
Cast a shadow in my direction

Cast a shadow over here
We'll shadow plays
We'll dig shallow graves

In my shady shallow cave

The shadow grows longer in my twilight sleep
?I wallow and remember you lock and key?
Cast a shadow in my direction
Cast a shadow in my direction

Cast a shadow in my direction
Cast a shadow in my direction
Bring back shadow of your affection
Cast a shadow in my direction
Bring back shadow of your protection
Cast a shadow...
In my... direction
