Adieu!

Honey, don't make me blue  
Honey, don't make me a fool  
Of what you see and what you hear"

So poor

That was every word she said  
Mam leaving home away  
Like there was nothing for all those years

Daddy phones everyone in town

(Where would you go?)

Don't know how many people around

(Where would you go?)

He's in the guise

Everyone smiles

Hit the party all day

Papa's got been a clown for the day

Mama's only one we lose

Papa's got been a clown for the day

Mam's only one we lose

Took so long I find the truth

Baby,

Do you think I was crazy?

Do you think I was silly?

Would you get to come close tome?

Hold me now
