Stand in a line  
Style in a lie  
There's no one's getting loose  
All we got is nightmare  
Droog in a slum

Son of a gun  
I've never done  
Confusions out of rules  
But all we got is nightmare  
Droog in a slum  
(Try to say)

Wow  
I'm not waiting for the death  
Breaking all the wasting time  
Baby, we don't care

We all  
Are not waiting for the death  
Waiting for the changing times  
Fate is not a game

Gosh, gosh, gosh, gosh?

Wow  
We all?
