"I Wanna Go To The Disko"

Visit "[I Wanna Go To The Disko](#)" on MotoLyrics.com

I wanna go to the disko
Want you have fun
I wanna go to the disko
It's alright with me
Wow

I wanna go to the disko
Want you have fun
Why not trust in me? oh girl!
It's alright with me
Wow

Let me dance in a moment
There is something left to blind you

Let me trance in a moment
There is something left to blind you
(wait for another calls)

Wait for the sun
Alone in a dawn
(all night long)
Wait for the sun
Alone in a dawn
(all night long)
Wow
