Solutions got to wrap you around one morning
Don't trade your love forever and more that you're
growing

You're not the one you were
You are the one to be
Something you never got to try
'cos you're not the one you were
Please sing the song to me
Nothing's gonna make you down
Wow wow

I remember how we used to play in the yard
So i made another choices from you so long so long
So long, so long...

Hit in the usa

Lyrics: hidaka tooru music: beat crusaders

I've never dreamed before
I'm gonna knock the door
Into the world of perfect free
(you ain't no lonely!)
You're gonna say i'm lying
I'm gonna get the chance
I thought a chance is far from me
(you ain't no lonely!)

I was made to hit in america
(i was made to hit in america)
I was made to hit in america
I've never dreamed before
I'm gonna knock the door
Into the world of perfect free
(you ain't no lonely!)

You're gonna say i'm fool
But now i made it true
How many times i try to be
(you ain't no lonely!)

I was made to hit in america
(i was made to hit in america)
I was made to hit in america

You are the sun you are the star
(to me, forever)
You are the sun you are the star
(to me, forever)

*i was made to hit in america
(i was made to hit in america)
I was made to hit in america
(i was made to hit in america)
I was made to hit in america
(i was made to hit in america)
I was made to hit in america

I was made to hit in america
(i was made to hit in america)
I was made to hit in america
(i was made to hit in america)

(*repeat)
