I'll never say goodbye
To our prime forever
And I feel like dumb
I don't know why

I'll never say goodbye
'Cos I can't forget her
But I feel like dumb
I don't know why

Try to scream
Shattered dreams are made of stone
And desperation

Broken hearts
Blown in a freezing wind
During winterlong
Unspoken words
Floating on freezing wind
During the winterlong

I'll never say goodbye
To our prime forever
And I feel like dumb
I don't know why

Try to scream
Shattered dreams are made of stone
And desperation

Broken hearts
Blown in a freezing wind
During winterlong
Unspoken words
Floating on freezing wind
During the winterlong

Try to scream
Shattered dreams are made of stone
And desperation

Broken hearts

Blown in a freezing wind
During winterlong
Unspoken words
Floating on freezing wind
During the winterlong

Broken hearts
Blown in a freezing wind
During winterlong
Unspoken words
Floating on freezing wind
During the winterlong

During the winterlong.
