There are silver dressed darlings  
And ramen mein delights  
When she gets all fired up  
She beats them in the night  
That red head walking  
That red head walking  
Red head walking  
Don't get close  
She'll warn you with her brow  
She's a bud cuttin  
Star studded  
Leather fested gal  
Red head walking  
Better listen keep yr distance from the crimson path  
Kiss that girl  
Kiss that girl  
She'll cut your heart like diamonds  
End of story  
You bet you're gonna lose it to that hellbound crimson  
glory  
Red head walkin  
Red head walkin  
Heed what this wise man says  
Keep away from red heads.
