I love you, 'cause you tell me things I want to know.  
And it's true that it really only goes to show,  
That I know,  
That I, should never ever ever be blue.  
Now you're mine, my happiness still makes me cry.  
And in time, you'll understand the reason why,  
If I cry,  
It's not because I'm sad,  
But you're the only love that I've ever had.  
I can't believe it's happened to me.  
I can't conceive of any more misery.  
Ask me why,  
I'll say I love you,  
And I'm always thinking of you.  
I love you, 'cause you tell me things I want to know.  
And it's true that it really only goes to show,  
That I know,  
That I, should never ever ever be blue.  
Ask me why, I'll say I love you,  
And I'm always thinking of you.  
I can't believe it's happened to me.  
I can't conceive of any more misery.  
Ask me why, I'll say I love you,  
And I'm always thinking of you.
