Crying, waiting, hoping you'll come back
I just can't seem to get you off my mind
Crying, waiting, hoping you'll come back
You're the one I love, I think about you all the time

Crying, do do do do, tear keep a falling all night long
Waiting, do do do do, it seems so useless I know it's
wrong
Keep a crying, waiting, hoping you'll come back
Maybe someday soon it'll change and you'll be mine

Crying, do do do do, tears keep a falling all night long
Waiting, do do do do, it seems so useless I know it's
wrong
Keep a crying, waiting, hoping you'll come back
Maybe someday soon it'll change and you'll be mine
Crying, waiting, hoping
