"Dig A Pony"

I dig a pony
Well you can celebrate anything you want
Well you can celebrate anything you want
Ooh.
I do a road hog
Well you can penetrate any place you go
Yes you can penetrate any place you go
I told you, all I want is you.
Everything has got to be just like you want it to
Because

I pick a moon dog
Well you can radiate everything you are
Yes you can radiate everything you are
Ooh
I roll a stoney
Well you can imitate everyone you know
Yes you can imitate everyone you know
I told you, all I want is you.
Everything has got to be just like you want it to
Because

I feel the wind blow
Well you can indicate everything you see
Yes you can indicate everything you see
Ooh
I dug a pony
Well you can syndicate any boat you row
Yes you can syndicate any boat you row
I told you, all I want is you
Everything has got to be just like you want it to
Because
