To lead a better life I need my home to be here...Here,  
making each day of the year  
Changing my life with the  
wave of her hand  
Nobody can deny that there's  
something there  
There, running my hands through her  
hair  
Both of us thinking how good it can be  
Someone is  
speking but she doesn't know he's there  
I want her  
everywhere and if she's beside me  
I know I need never  
care  
But to love her is to need her everywhere  
Knowing  
that love is to share  
Each one believing that love never  
dies  
Watching her eyes and hoping I'm always there  
I want her everywhere and if she's beside me  
I know I  
need never care  
But to love her is to need her  
everywhere  
Knowing that love is to share  
Each one  
believing that love never dies  
Watching her eyes and  
hoping I'm always there  
To be there and  
everywhere  
Here, there and everywhere
