Words are flowing out like endless rain into a paper
cup,
They slither while they pass, they slip away across the
universe
Pools of sorrow, waves of joy are drifting through my
open mind,
Possessing and caressing me.
Jai guru de va om
Nothing's gonna change my world,
Nothing's gonna change my world.

Images of broken light which dance before me like a
million eyes,
That call me on and on across the universe,
Thoughts meander like a restless wind inside a letter
box they
Tumble blindly as they make their way
Across the universe
Jai guru de va om
Nothing's gonna change my world,
Nothing's gonna change my world.

Sounds of laughter shades of earth are ringing
Through my open views inviting and inciting me
Limitless undying love which shines around me like a
million suns, it calls me on and on
Across the universe
Jai guru de va om
Nothing's gonna change my world,
Nothing's gonna change my world
