Wake up in the morning I don't feel blue  
'Cause I know I got you  
Get a funny feeling all day and night  
I get the funny feeling you don't treat me right

Should have read your letters  
And then I'd know  
I would have felt much better  
Because I know you love me so

Wake up in the morning I don't feel blue  
'Cause I know I got you  
Get a funny feeling all day and night  
I get the funny feeling you don't treat me right

Should have read your letters  
And then I'd know  
I would have felt much better  
Because I know you love me so
