Cha-cha-boom!  
Besame besame mucho  
Each time I bring you a kiss  
I hear music divine  
So besame besame mucho  
I love you forever  
Say that you'll always be mine

Cha-cha-boom!  
Dearest one, if you should leave me  
Then each little dream will take wings  
And my life would be through  
Oh besame besame mucho  
Ooh love me forever  
Make all my dreams come true

Ooh this joy is something new  
My arms enfolding you  
I never knew this thrill before  
Who ever thought I'd be  
Holding you close to me  
Whispering, "It's you I adore"

Yes so dearest one, if you should leave me  
Then each little dream will take wings  
And my life would be through  
Oh so besame besame mucho  
Yeah I love you forever  
Make all my dreams come true

Ooh this joy is something new  
My arms enfolding you  
Never knew this the thrill before  
Who ever thought I'd be  
Holding you close to me  
Whispering, "it's you I adore"

Oh so dearest one, if you should leave me  
Then each little dream will take wings  
And my life would be through  
Oh so besame besame mucho  
I love you forever

Make all my dreams come true  
Ooh love me forever  
Make all my dreams come true  
Ooh love me forever  
Make all my dreams come true
