I dig a pony
Well, you can celebrate anything you want
Yes, you can celebrate anything you want
Oh!

I do a road hog
Well, you can penetrate any place you go
Yes, you can penetrate any place you go
I told you so

All I want is you
Everything has got to be just like you want it to
Because

I pick a moon dog
Well, you can radiate everything you are
Yes, you can radiate everything you are
Oh now!

I roll a stoney
Well, you can imitate everyone you know
Yes, you can imitate everyone you know
I told you so

All I want is you
Everything has got to be just like you want it to
Because

Oh now!
I feel the wind blow
Well, you can indicate everything you see
Yes, you can indicate anything you see
Oh now!

I, cold and lonely
Well, you can syndicate any boat you row
Yeah, you can syndicate any boat you row
I told you so

All I want is you
Everything has got to be just like you want it to
Because
