Whenever sang my song  
on the stage  
on my own

whenever say a word  
wishing they could be heard  
I saw u smiling at me  
could this be real or just my fantasy  
Did U ever know that I had mine on you

My last night here with you  
same old songs just once more  
If I'll stay here with you?  
Maybe yes, maybe no

I kindly like it your way  
how you shily place your eyes on me  
Did You ever know that I had mine on you

Chorus:

Darling so share with me  
your love if u had enough  
tears as were holding back  
or pain if that's what it is  
How can I let You know  
I'm More than the dress and the voice  
If frown is shown then...  
You will know that You are not Dreaming

Chorus 2:

Darling so stay with me  
as if you had me now  
Seems that You'll never hurt  
nor ever been down  
How can U let me know  
I'm more than a friend  
U have known  
Just reach me out then  
and You'll know that we are no dreamers...
