Once there was a way,  
to get back homeward,  
Once there was a way,  
to get back home  
Sleep pretty darling do not cry,  
and I will sing a lullaby

Golden slumbers fill your eyes,  
smiles awake you when you rise  
Sleep pretty darling do not cry,  
and I will sing a lullaby

Once there was a way,  
to get back homeward,  
Once there was a way,  
to get back home  
Sleep pretty darling do not cry,  
and I will sing a lullaby

Boy you're gonna carry that weight,  
carry that weight for a long time  
Boy you're gonna carry that weight,  
carry that weight for a long time

I never give you my pillow,

I only send you my invitations  
And in the middle of the celebrations,  
I break down

Boy you're gonna carry that weight,  
carry that weight for a long time  
Boy you're gonna carry that weight,  
carry that weight for a long time

Oh yeah, all right,  
are you gonna be in my dreams tonight?

Love you, love you, love you, love you, love you, love  
you  
Love you, love you, love you, love you, love you, love  
you

Love you, love you, love you, love you, love you, love  
you  
Love you, love you, love you, love you, love you, love  
you  
Love you, love you, love you, love you, love you, love  
you

And in the end,  
the love you take,  
is equal to the love you make,  
Ah
