Good morning, good morning  
Good morning, good morning  
Good morning, a

Nothing to do  
To save his life  
Call his wife in

Nothing to say  
But what a day  
How's your boy been?

Nothing to do  
It's up to you  
I've got nothing to say  
But it's O.K.

Good morning, good morning  
Good morning, a

Going to work  
Don't want to go  
Feeling lowdown

Heading for home  
You start to roam  
Then you're in town

Everybody knows  
There's nothing doing  
Everything is closed  
It's like a ruin

Everyone you see  
Is half asleep  
And you're on your own  
You're in the street

After a while  
You start to smile  
Now you feel cool

Then you decide  
To take a walk  
By the old school

Nothing has changed  
It's still the same  
I've got nothing to say  
But it's O.K.

Good morning, good morning  
Good morning, a

People running 'round  
It's five o'clock  
Everywhere in town  
It's getting dark

Everyone you see  
Is full of life  
It's time for tea  
And meet the wife

Somebody needs  
To know the time  
Glad that I'm here

Watching the skirts  
You start to flirt  
No you're in gear

Go to a show  
You hope she goes  
I've got nothing to say  
But it's O.K.

Good morning, good morning  
good

Good morning, good morning  
good

Good morning, good morning  
good
