I was alone, I took a ride  
I didn't know what I would find there  
Another road where maybe i  
Could see another kind of mind there

Ooh then I suddenly see you  
Ooh did I tell you I need you  
Every single day of my life

You didn't run, you didn't lie  
You knew I wanted just to hold you  
And had you gone, you knew in time  
Wed meet again for I had told you

Ooh you were meant to be near me  
Ooh and I want you to hear me  
Say well be together every day  
Got to get you into my life

What can I do, what can I be  
When Im with you I want to stay there  
If Im true I'll never leave  
And if I do I know the way there

Ooh then I suddenly see you  
Ooh did I tell you I need you  
Every single day of my life  
Got to get you into my life  
Ive got to get you into my life

I was alone, I took a ride  
I didn't know what I would find there  
Another road where maybe i  
Could see another kind of mind there

And suddenly I see you  
Did I tell you I need you  
Every single day...
