Well how come you say you will when you won't?
Say you do, baby, when you don't?
Let me know, honey, how you feel
Tell the truth now, is love real?

But uh uh, well honey don't
Well honey don't, honey don't
Honey don't, honey don't
Say you will when you won't, uh uh, honey don't

Well I love you baby and you oughta know
I like the way that you wear your clothes
Everything about you is so doggone sweet
You got that sand all over your feet

But uh uh, well honey don't
Honey don't, honey don't
Honey don't, honey don't
Say you will when you won't, uh uh, honey don't

Oh rock on George, one time for me
I feel fine, I'm sad

Well sometimes I'll love you on a Saturday night
Sunday morning you don't look right
You been out painting the town
Uh uh, baby been steppin' around

But uh huh, well honey don't
I said honey don't, honey don't
Honey don't, honey don't
Say you will when you won't, uh uh, honey don't

Oh, rock on George for Ringo one time

Well honey don't, well honey don't
A little little honey don't
Say you will when you won't, uh uh, honey don't
