If i fell in love with you
Would you promise to be true
And help me understand
'cause i've been in love before
And i found that love was more
Than just holding hands

If i give my heart to you
I must be sure
From the very start
That you would love me more than her

If i trust in you oh please
Don't run and hide
If i love you too oh please
Don't hurt my pride like her
'cause i couldn't stand the pain
And i would be sad if our new love was in vain

So i hope you see that i
Would love to love you
And that she will cry
When she learns we are two

If i fell in love with you
