Charles Singleton and Waldenese Hall)

If you leave me, baby,
I don't know what I'll do,
I guess I would die, sweetheart,
If I don't get a kiss from you.
Take out some insurance on me, baby,
Take out some insurance on me, baby,
Well, if you ever, ever say goodbye,
I'm gonna go right home and die.
Oh, if you want me, baby,
You've gotta come to me.
Mm, I'm just like a stump in a field,
You just can't move me.
Take out some insurance on me, baby,
Ooh, some insurance on me, baby,
Well, if you ever, ever say goodbye,
I'm gonna go right home and die.
Well, if you want me, baby,
Mm, you've gotta come to me.
I'm just like a stump in a field,
You just can't move me.
Take out some insurance on me, baby,
Mm, some insurance on me, baby,
Well, if you ever, ever say goodbye,
I'm gonna go right home and die.
Well, if you leave me, baby,
I don't know what I'll do,
I guess I would die, sweetheart,
If I don't get a kiss from you.
Take out some insurance on me, baby,
Mm, some god damned insurance on me, baby,
If you ever, ever say goodbye,
I'm gonna go right home and die
