I've got every reason  
On earth to be mad  
Cause I just lost  
The only girl I had

If I could get my way  
I'd get myself locked up today  
But I can't, so I'll cry instead

I've got a chip on my shoulder  
That's bigger than my feet  
I can't talk to people that I meet

If I could see you now  
I'd try to make you sad somehow  
But I can't, so I'll cry instead

Don't want to cry  
When there's people there  
I get shy when they start to stare  
I'm gonna hide myself away  
But I'll come back again someday

And when you do  
You'd better hide all the girls  
I'm gonna break their hearts  
All round the world

Yes, I'm gonna break them in two  
And show you what  
Your loving man can do  
Until then, I'll cry instead

Don't want to cry  
When there's people there  
I get shy when they start to stare  
I'm gonna hide myself away  
But I'll come back again someday

And when you do  
You'd better hide all the girls  
Cause I'm gonna break their hearts

All round the world

Yes, I'm gonna break them in two  
And show you what  
Your loving man can do  
Until then, I'll cry instead
