Lyrics:

There are places I remember
All my life, though some have changed
Some forever not for better
Some have gone and some remain
All these places had their moments
With lovers and friends
I still can recall
Some are dead and some are living
In my life I've loved them all

But of all these friends and lovers
there is no one compares with you
And these memories lose their meaning
When I think of love as something new
Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more

Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more
In my life I love you more

Lyrics:

It's been a long time
Now I'm coming back home
I've been away now
Oh how I've been alone
Wait till I come back to your side
We'll forget the tears we've cried

But if your heart breaks
Don't wait, turn me away
And if your heart's strong
Hold on, I won't delay
Wait till I come back to your side
We'll forget the tears we've cried

I feel as though

You ought to know
That I've been good
As good as I can be
And if you do
I'll trust in you
And know that you
Will wait for me

It's been a long time
Now I'm coming back home
I've been away now
Oh how I've been alone
Wait till I come back to your side
We'll forget the tears we've cried

I feel as though
You ought to know
That I've been good
As good as I can be
And if you do
I'll trust in you
And know that you
Will wait for me

It's been a long time
Now I'm coming back home
I've been away now
Oh how I've been alone
Wait till I come back to your side
We'll forget the tears we've cried

It's been a long time
Now I'm coming back home
I've been away now
Oh, how I've been alone
