=====  
It Came Upon a Midnight Clear  
=====

It came upon the midnight clear,  
That glorious song of old,  
From angels bending near the earth  
To touch their harps of gold:  
"Peace on the earth, good will to men,  
From heaven's all-gracious King."  
The world in solemn stillness lay  
To hear the angels sing.

Still through the cloven skies they come  
With peaceful wings unfurled,  
And still their heavenly music floats  
O'er all the weary world;  
Above its sad and lowly plains  
They bend on hovering wing,  
And ever o'er its Babel-sounds  
The blessed angels sing.

Yet with the woes of sin and strife  
The world has suffered long;  
Beneath the heavenly strain have rolled  
Two thousand years of wrong;  
And man, at war with man, hears not  
The tidings which they bring;  
O hush the noise, ye men of strife,  
And hear the angels sing!

O ye, beneath life's crushing load,  
Whose forms are bending low,  
Who toil along the climbing way  
With painful steps and slow,  
Look now! for glad and golden hours  
Come swiftly on the wing;  
O rest beside the weary road  
And hear the angels sing!

For lo! the days are hastening on,

By prophets seen of old,  
When with the ever-circling years  
Shall come the time foretold,  
When peace shall over all the earth  
Its ancient splendors fling,  
And the whole world give back the song Which now the  
angels sing.
