I've just seen a face
I can't forget the time or place
Where we just met

She's just the girl for me
And I want all the world
To see we've met
Mmm, mmm, mmm, mmm mmm mmm

Had it been another day
I might have looked the other way
And I'd have never been aware
But as it is I'll dream of her tonight
La, di, di, da di di

Falling, yes I am falling
And she keeps calling
Me back again

I have never known the like of this
I've been alone and I have missed things
And kept out of sight
For other girls were never quite like this
La, di, di, da di di

Falling, yes I am falling
And she keeps calling
Me back again

Falling, yes I am falling
And she keeps calling
Me back again

I've just seen a face
I can't forget the time or place
Where we just met

She's just the girl for me
And I want all the world to see we've met
Mmm, mmm, mmm, la di di

Falling, yes I am falling

And she keeps calling
Me back again

Falling, yes I am falling
And she keeps calling
Me back again

Oh, falling, yes I am falling
And she keeps calling
Me back again
