Little child, little child  
Little child, won't you dance with me?  
I'm so sad and lonely  
Baby, take a chance with me

Little child, little child  
Little child, won't you dance with me?  
I'm so sad and lonely  
Baby, take a chance with me

If you want someone to make you feel so fine  
Then we'll have some fun when you're mine all mine  
So come on, come on, come on

Little child, little child  
Little child, won't you dance with me?  
I'm so sad and lonely  
Baby, take a chance with me, whoa yeah

When you're by my side you're the only one  
Don't you run and hide, just come on, come on  
Yeah, come on, come on, come on

Little child, little child  
Little child, won't you dance with me?  
I'm so sad and lonely  
Baby, take a chance with me, oh yeah  
Baby, take a chance with me, oh yeah  
Baby, take a chance with me, oh yeah  
Baby, take a chance with me, oh yeah
